

# Miramar South School

## Board of Trustees Commitments

### In Response To Our 2009 Community Consultation

- Continue to liaise with our school community about the new curriculum
- Regularly communicate to parents about our behaviour management systems in the playground and the classroom
- Involvement in more sports. Encourage parents to become more involved in sports
- Prayer room available for the children during lunch break
- Communicate to parents our homework philosophy
- Continue to liaise with our school community about the national standards
- Continue to encourage children to bring their cultural experiences into school life.
- Take advantage of exhibitions, performances and various places to visit
- Extend resources. Replace out of date library resources and apply for grants for more interactive whiteboards and playground equipment
- As a school participate and engage in wider community activities e.g. local festivals
- Continue to provide quality teaching and learning, by retaining staff and continuing with professional development
- Continue to assert our behaviour management plans and to recognize good behavior with letters, certificates etc
- Continue to have a school focus on literacy and numeracy in the morning
- Continue with Duffy books, Kidscan, Fruit In Schools and Breakfast Club
- Continue to hold our regular events such as; Prize giving, Formal
- Build stronger relationships with the Aoga Amata and the local kindergartens
- Continue to liaise with our school community about the future direction of the school
